# Rescued

Imagine you are an explorer who travels to faraway places.

On your last trip, things went wrong and you lost contact with the outside world. After two weeks you were found, and now a magazine wants you to write about your experience.

Below is what the magazine asks for:

Start at the point when you knew things were going wrong.

Include details about:

- the difficulties you faced before you were found;
- how you felt at each stage;
- how the whole experience has affected you.

We want our readers to share the full drama and excitement of your experience.

**Write the story of your experience, from the point when things went wrong to when you were found.**
