

**Q1. Display Tray**

**You will** .....

A ..... pizza box

Newspaper

A craft knife

Thin ..... cardboard

Old matchsticks

..... paper

A pen

..... tape.

1. First fill the box with newspaper.  
Tape around the ..... of the box.
2. Secondly glue paper to the top and sides of the box.  
Cut several ..... and .....  
them neatly.
3. Then ..... your collection on the box and  
mark several dots around the edge of each object.
4. Next ..... the objects from the box. Carefully  
cut a tiny cross over each dot. Then push a matchstick into  
each hole but leave about 1cm of each matchstick  
.....
5. Finally put the objects back so the matchsticks hold them in  
place. Make a card ..... for each object.

This tray is excellent for displaying the ..... you  
have gathered from the water's edge.
